Glade Awarded for Operation Tomodachi Work

CAMP ZAMA, JAPAN – Colonel Bryan Truesdell, District Engineer and Commander, Japan District, US Army Corps of Engineers presents the Joint Service Achievement Medal to Captain Alex Glade, Engineer, U.S. Army Corps of Engineers- Japan District Iwakuni Resident Office today. The medal was awarded by US Pacific Command for CPT Glade's work during Operation Tomodachi as Engineer Officer, 3d Marine Brigade, III Marine Expeditionary Force. She conducted more than 20 engineer assessments required to clear Sendai Airport so humanitarian assistance could be delivered to Japanese residents after the Great East Japan Earthquake and ensuing tsunami.
