

## APPENDIX S

## SAFETY MANAGEMENT EVALUATION

1. ER 385-1-85, 31 Oct 79, established policy and programs for surveying, analyzing, and evaluating management effort and effectiveness toward the Corps Safety Program. This Appendix is intended to provide guidance that will assist in local management of a safety program.
2. The evaluation guides listed below have been combined to form a single guide, POD Form 253-R, Safety Management Evaluation for SOHO and Construction Activities.
  - a. Safety Management Evaluation, Construction Activities, POD Form 252-R.
  - b. Safety Program Evaluation for Safety Offices, POD Form 247-R.
  - c. Safety Program Evaluation for Field Elements, POD Form 253-R.

This form in conjunction with the guide Safety Management Evaluation, Managers and Supervisors, POD Form 257, will be used in the overall evaluation of each district's Safety and Health Program. The district's SOHO's Program rating will be determined from the results on the "A" portion of the form. The "B" section will now be used by the districts in determining the Commander's nomination for the annual Division Commander's award for outstanding safety and occupational health accomplishments. (Ref APP M, PODR 385-1-1).

- d. Safety Program Evaluation for Managers and Supervisors. Safety Management Evaluation, Managers & Supervisors, POD Form 257, will be used by the Division SOHO Office during evaluations of the District's safety program. Each staff member should be familiar with POD Form 257.
